You are my priority, so ...

We are human beings, so ...

Feel free to ping me about an issue troubling you

Tell me if I do something that hurts you --- I like jokes

I may not reply to late emails --- depends on the emergency

We are here to learn so ask any questions, don't be **afraid**

If you hurt me, I may hurt you --- I like fights

You are here to learn, find equilibrium ...

Friends/Family

Homework
Studies
Exams

....

Parties

Let's have fun

Respect each other

Find the right equilibrium

20mn late --- you don't enter :)
